Program Description:

The Positive Parenting Program (Triple P) is an evidence-based program taught in more than 25 countries and in 21 different languages. The program has proven to be effective regardless of a family's culture or situation. Triple P doesn't tell adults how to parent. Rather, it introduces simple and practical strategies parents can adopt to suit their own values, beliefs and needs.

The classes are available to anyone in the community at no cost. Each session is 6 sessions long for about an hour and a half each.

Responsibilities:

A Childcare Volunteer assists staff in keeping kids engaged, while their parents are participating in the Positive Parenting Program.

Shifts are 2 hours long in the evenings Monday thru Thursday.
