

Parents *by Choice*

Foster Care

Childcare Volunteer

Requirements:

- Complete Volunteer Application
- Complete Criminal Record Statement
- Confidentiality Agreement
- 16 years or older
- Available the Third Monday of the month in the Evenings

Skills:

- Experience with children, ages 0 to 18
- Passion for working with and spending time with children
- Ability to multi-task and take care of multiple children at one time

Program Description:

Children in foster care have been removed from their biological parents for various reasons such as addiction and inability to provide basic needs to care for their children. Parents by Choice works with families to help provide, care and love to these children.

Responsibilities:

Every third Monday of the month, Parents by Choice provides training for the families to learn new skills and techniques to support the children. While the parents are learning, volunteers are needed to help staff with childcare. Volunteers will help keep the children engaged in various activities such as Basketball, Play Dough, Video Games, and more! We also need volunteers to help hold babies and play with toddlers. Volunteers may be asked to help clean the facility as families leave.

Shifts are 2.5 hours long.
